Welcome to the **2018 Team Ledger Bayleys Capital Classic** on behalf of Athletics Wellington.

This is the 14th edition of the Capital Classic and once again we are very honoured to hold such a prestigious event. We welcome all athletes and coaches who have travelled and thank them all for their patience in what I am sure you are aware has been a challenging build-up.

As well as the main Classic program we are also extremely excited to host a number of **Commonwealth Games Trials**: On the track the Men's and Women's 200m, Men's 800m and Women's 1500m. In the field the Men's and Women's discus and Women's Triple jump. This will ensure the very best of NZ talent for these events and we thank Athletics NZ and HPS NZ for allowing us to run these events.

I would also like to thank Tony Rogers and his team who have, under very challenging conditions, worked tirelessly over the last few months with both athletes and sponsors to ensure this event remains at the forefront of the NZ Athletics calendar.

We do hope you have a great night and thank you for coming along to support what we hope will be a memorable evening.

Charlie Nairne
Chairman, Athletics Wellington

A warm welcome to Athletes, VIPs, Sponsors, Officials and Spectators to the **2018 TEAM LEDGER BAYLEYS Capital Classic Track and Field Meeting**. A special welcome to all athletes aspiring to meet selections targets for the Commonwealth Games on the Gold Coast, and World Under 20 Junior Championships in Tampere, Finland later this year. Greetings to our visiting international athletes especially the group from Japan here again this year.

We wish to acknowledge once again the tremendous support from **Mike and Tania Ledger** our naming right sponsor of **"TEAM LEDGER BAYLEYS"** for your continued support and continuing the **North v South Challenge Trophy** this year for the **3000 metres Men's** event.

Sincere thanks to our group of very valued sponsors especially **The Brian Taylor Memorial Trust** and its trustees, **Prue Taylor, Roger Robinson, Sam McLean**; the team at **Fuji Xerox** of Wakefield Street now in the **ninth** year of support; and the **Brentwood Hotel** who continue to provide excellent affordable local accommodation. **Tim Connolly** of **SAS Sports Apparel** this year for their support with sunhats and polos shirts for officials. **Eftpos Specialists** and **SOS Rehydrate** once again are most valued supporters of the meeting. Appreciation is acknowledged to Scott Goodman and Gareth Archer of the Athletics NZ High Performance and Competitions departments respectively, for their support in allowing hosting of some of the Gold Coast Commonwealth Games Trial events.

Please all enjoy the competitive spectacle that our small but dedicated team have put together. We acknowledge sincere thanks to Jim & Karen McIlroy, Charlie Nairne and Mike Ritchie for their leadership with ACE Sports at preparing the evening.

We look forward to seeing all of you again next year for the 2019 edition

Best wishes and Good luck for the rest of your summer
Tony & Simon Rogers – **ACE Rogers Sports** - Meeting Directors

Competition Rules

Important information for competitors

The Capital Classic will be conducted under the rules of Athletics New Zealand.

All competitors must be registered with Athletics New Zealand, and compete in their Club or an approved uniform.

Stadium entry: Athletes must enter the track by the door behind the stand near the finishing line end, which is 70 metres from the main gate. Entry through this door for athletes will be free, by quoting your name and event, and being checked by the registration official at athlete check in. Your event Lanyard then is your entry pass.

This room is the Technical Information Centre. Pick up your numbers when you enter.

Competition Numbers: Numbers are to be worn and must be displayed on the front of the uniform during competition. Walkers will wear numbers front and back. Pole Vaulters may wear on their back.

Entry Confirmation: All athletes must confirm their entry by signature when picking up their competition numbers, at **least 90 minutes before** the scheduled start of their event for track and **60** minutes before the scheduled start of their event for field athletes.

Only athletes who confirm their entry will be drawn in the fields for the event.

Scratching: A competitor who wishes to scratch from an event must do so in person to the Technical Information Centre as soon as possible.

Draws: Track: Lane Draws will be published after all confirmed entries are received, and posted on an information board outside the Technical Information Centre.

Jumps and Field: The competing order will be as set out by the draw sheets published 60 minutes prior to the event. If required Men's and Women's events will be conducted concurrently.

Reporting Times: Athletes must report to the start line or the field event position no later than 10 minutes before **the scheduled start of the event.**

Warming up: Warming up is not allowed on the main field. Warming up can be done on the top field or outside the stadium. If you warm up on the top field or outside the stadium take your number with you to show to the gate steward to re-gain entry.

Start heights: The start heights for the Pole Vault and High Jump will be decided on the day after athletes have reported to the officials.

Implement weigh in: Implements must be presented for weigh in at the Gear Shed by the 100m start, **no later than 1 hour before the event is scheduled.**

Post event procedure and availability for interview and or drug testing: Athletes must leave the competition area after their event is completed. Care should be taken not to interfere with other events which will be under way.

All Athletes are requested to remain available after their event if required by the Drug Testing Agency for testing. News media and infield interviews are also likely for winners, and they are likely to be undertaken in front of the grandstand.

All Athletes should listen to the Public Address and report if and when requested for any presentations.
